Profile

Fineurop Soditic is an independent corporate finance boutique established in 1998. Its activities range from mergers and acquisitions to debt advisory. Headquartered in Milan, Fineurop Soditic has an extensive international network.

Fineurop Soditic has successfully completed over 600 domestic and cross border transactions with family owned businesses, large corporates and private equity firms. It has established a position as a leading player in the Italian market with a particular focus on mid-sized businesses.
